All servitudes, dedications, reservations and restrictions shown on the recorded subdivision maps and final plats of the Properties and all grants and dedications of servitudes and related rights

affecting the Properties are incorporated herein by reference and made a part hereof as if fully set forth herein and shall be construed as being adopted in each contract, deed or conveyance executed or to be executed by or on behalf of Developer, conveying said Property or any part thereof, whether specifically referred to therein or not.

There is hereby created a servitude upon, over and under all of the Properties within the public utility servitude for ingress thereto and egress therefrom in connection with installing, replacing, repairing, and maintaining all utilities, including but not limited to, water, sewer, telephones, electricity, gas and appurtenances thereto. Annexable Property to this Declaration, then and in such event, such property included shall, for all intents and purposes, become a portion of Property, as defined above, as of the date of filing for such inclusion as set forth above. Further, in the event Declarant subjects any portion of all the Annexable Property to this Declaration, then the common area of such additionally included Annexable Property shall be deeded by Declarant to the Association; and the lots situated in the Annexable Property shall be governed and controlled, as of the date of such inclusion, by the terms of this Declaration. The Architectural Review Committee shall not be liable to any person for failure to approve or disapprove submitted plans and specifications. The Architectural Review Committee shall have full and complete authority to approve construction of any improvement on any Lot, and its judgment shall be final and conclusive. The Architectural Review Committee shall have the right to modify, amend or waive setback requirements and any other requirements contained within these documents as long as the change does not lower the minimum standard below that of the Parish of St. John.
